Gentlemen:

This is in reply to your request for an updated letter verifying that your organization is still exempt from Federal income tax under section 501(c)(3) of the Code.

Our records show that your organization was granted exemption from Federal income tax under section 501(c)(3) of the Internal Revenue Code. This determination was issued on June 4, 1979 and remains in effect. On July 15, 1981, we issued a final determination that your organization was not a private foundation because you are an organization described under section 509(a)(1) and 170(b)(1)(A)(vi) of the Code. This determination also remains in effect.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records along with the above mentioned determination letters.

Very truly yours,

Max Wilson
